

'Why Physical Education matters' Video Competition 2016

What is it?

'*Why Physical Education matters*' is a new video competition, initiated by the Physical Education Association of Ireland, for secondary school students. The video should communicate the benefits of participating in Physical Education in schools.

What should the video include?

The video should be a maximum of 3 minutes in duration. It should communicate the key messages and benefits of Physical Education using visuals, music, voiceovers and examples of physical education.

An example can be found at the following link:
<https://youtu.be/rrLne6YVaBQ>

How can I enter?

The video must be uploaded to YouTube before 20th May 2016. The link to the video must be included on the application form and emailed to:
whypematters@gmail.com.

Categories and Prizes

This competition will have over 800 euro worth of prizes for the students and the school and national media coverage.
