

Physical Education Association of Ireland (PEAI) Webinar for Teachers

Overview of the NCCA Consultation on the new 135 hour Specification for Junior Cycle Physical Education

The PEA I is hosting a 45 minute information webinar on the Background Paper, Brief and Survey which the NCCA have released as they prepare for the development of a new 135 hour Specification for Junior Cycle Physical Education. The webinar will be repeated on four separate evenings, at four different times to provide all PE teachers across the country with the flexibility to attend on an evening that is convenient to you.

The webinar will run via Zoom at the following dates and times.
